Gr. 6-12

- Awareness of Sexual abstinence as the expected standard, Consequences of Teenage pregnancy

Gr. 7-12

- Teen Dating Violence

Flagler Schools acknowledges that parents/guardians are the primary sexuality educators for their child/ children and we are committed to partnering with you to provide supplementary resources to support you in this role.

State Statute 1003.42 **Required Instruction**

(n)1. Comprehensive age-appropriate and developmentally appropriate K-12 health education that addresses concepts of community health, consumer health, environmental health, and family life, including:

- a. Mental and emotional health.
- b. Injury prevention and safety.
- c. Internet safety.
- d. Nutrition.
- e. Personal health.
- f. Prevention and control of disease.
- g. Substance use and abuse.
- h. Prevention of child sexual abuse, exploitation, and human trafficking.

2. The health education curriculum for students in grades 7 through 12 shall include a teen dating violence and abuse component that includes, but is not limited to, the definition of dating violence and abuse, the warning signs of dating violence and abusive behavior, the characteristics of healthy relationships, measures to prevent and stop dating violence and abuse, and community resources available to victims of dating violence and abuse.

3. The health education curriculum for students in grades 6 through 12 shall include an awareness of the benefits of sexual abstinence as the expected standard and the consequences of teenage pregnancy.

HB 545 (2021) **Parents' Bill of Rights**

184 (d) Procedures, pursuant to s. 1002.20(3)(d), for a parent
185 to withdraw his or her minor child from any portion of the
186 school district's comprehensive health education required under
187 s. 1003.42(2)(n) that relates to sex education or instruction in
188 acquired immune deficiency syndrome education or any instruction
189 regarding sexuality if the parent provides a written objection
190 to his or her minor child's participation. Such procedures must
191 provide for a parent to be notified in advance of such course
192 content so that he or she may withdraw his or her minor child
193 from those portions of the course.

HB 241 (2021) Reproductive Health and Disease Education

1
2 An act relating to reproductive health and disease
3 education; amending s. 1002.20, F.S.; requiring each
4 school district to publish a notice on the district's
5 website concerning a parent's right to exempt a
6 student from reproductive health and disease
7 education; amending s. 1003.42, F.S.; requiring
8 district school boards to annually approve
9 instructional materials relating to reproductive
10 health and disease education in an open, noticed
11 public meeting; requiring each school district to
12 publish a notice on the district's website concerning
13 a parent's right to exempt a student from reproductive
14 health and disease education; amending s. 1006.40,
15 F.S.; specifying that reproductive health and disease
16 education instructional materials are to be made
17 available for public review and comment under a
18 specific process; providing an effective date.

HB 241 (2021) Reproductive Health and Disease Education

31 (d) Reproductive health and disease education.—A public
32 school student whose parent makes written request to the school
33 principal shall be exempted from the teaching of reproductive
34 health or any disease, including HIV/AIDS, in accordance with
35 ~~the provisions of s. 1003.42(3).~~ Each school district shall, on
36 the district's website homepage, notify parents of this right
37 and the process to request an exemption. The homepage must
38 include a link for a student's parent to access and review the
39 instructional materials, as defined in s. 1006.29(2), used to
40 teach the curriculum.

HB 241 (2021) Reproductive Health and Disease Education

55 (b) All instructional materials, as defined in s.
56 1006.29(2), used to teach reproductive health or any disease,
57 including HIV/AIDS, its symptoms, development, and treatment, as
58 part of the courses referenced in subsection (3), must be
59 annually approved by a district school board in an open, noticed
60 public meeting.

61 (3) Any student whose parent makes written request to the
62 school principal shall be exempted from the teaching of
63 reproductive health or any disease, including HIV/AIDS, its
64 symptoms, development, and treatment. A student so exempted may
65 not be penalized by reason of that exemption. Course
66 descriptions for comprehensive health education shall not
67 interfere with the local determination of appropriate curriculum
68 which reflects local values and concerns. Each school district
69 shall, on the district's website homepage, notify parents of
70 this right and the process to request an exemption. The homepage
71 must include a link for a student's parent to access and review
72 the instructional materials, as defined in s. 1006.29(2), used
73 to teach the curriculum.

HB 241 (2021) Reproductive Health and Disease Education

84 (b) Provide a process for public review of, public comment
85 on, and the adoption of instructional materials, including
86 instructional materials used to teach reproductive health or any
87 disease, including HIV/AIDS, under ss. 1003.42(3) and 1003.46,
88 which ~~that~~ satisfies the requirements of s. 1006.283(2)(b) 8.,
89 9., and 11.

90 Section 4. This act shall take effect July 1, 2021.
